

Our Mission

Connection Community Church exists to connect people with Jesus and the life He offers. We are convinced that a relationship with God through Jesus Christ is the best way to live. That's why we are so deeply committed to carrying out our mission. Everything that we do is geared toward helping people have the quality of life that God designed for them.

Our Model

Our model for ministry is based on the Lord's command to "Love the Lord your God with all your heart, all your soul, all your mind, and all your strength; and, Love your neighbor as yourself." (Luke 10:27)

Our Ministry

We seek to connect people with Jesus and the Life He offers through:

Worship

Worship opens a window through which the love of Jesus can be experienced. Service offers a relevant approach to the unchanging messages of the Bible.

Connection Groups

Small groups meet in homes during the week and are great places to "be the church to one another." Getting involved in a home group provides opportunities for sharing, caring, and daring.

Purpose Driven Living

God longs for us to realize the life created for us. We seek to help each person discover their gifts, talents, and abilities, while equipping, encouraging, and empowering them to make a difference in the church, community, and the world.
