At Connection, our mission is to connect people with Jesus and the life He offers. With Jesus as our model, we find that serving others is an essential part of the life that He offers, a life of servanthood, an “it’s not about me” attitude.

“...just as the Son of Man did not come to be served, but to serve, and to give his life as a ransom for many.”
[Matthew 20:28]

iServe is a ministry of Connection Community Church that gives everyone a comprehensive look at the many opportunities to incorporate servanthood into their lives as they connect with Jesus and the life He offers.

You are invited to use this as a tool to help you discern how God may be calling you to partner with Him in the work that He wants to do through you. Take a look at the many serving opportunities and begin to pray about what gets you excited. What area[s] are you passionate about?

Let us know what area[s] of ministry you would like more information on by filling out this form and returning it to Guest Services, or by dropping it in the offering bag. We look forward to helping you get connected through servanthood. Thank you!
